| Durability of operational reliability; vibration resistance                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.9 to 5.12 |
| Durability of operational reliability; humidity resistance                                                                                                                                                                                                                                                          | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.6, 5.7    |
| Durability of operational reliability; corrosion resistance                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.8         |
| Durability of operational reliability; electrical stability                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.3, 5.13   |
| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                              |

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

**Model listing** (List of all product variants or models for which this declaration is valid)

| Model   | Description                              |
|---------|------------------------------------------|
| BBR-230 | Addressable indoor sounder with isolator |

**Regulation (EU) NO.305/2011 CPR supplementary CE marking information**

Identification of the Certification Body: 2531

Manufacturer: Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

Last two digits of year CE mark was first placed: 10

Declaration of Performance (DoP) Number: 60.1005505 rev.2

EN standard: EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

Unique identification of product type: See the product label for the product documentation part number and revision

Intended use: Fire detection and fire alarm systems

Essential characteristics: see DoP performance table

Signature of representative / manufacturer:

# ΔΗΛΩΣΗ ΑΠΟΔΟΣΗΣ

Αρ. 60.1005505 rev.2

Σύμφωνα με τον Κανονισμό (ΕΕ) αριθ. 305/2011 για τα προϊόντα του τομέα των δομικών κατασκευών

Μοναδικός κωδικός ταυτοποίησης τύπου προϊόντος:

Επωνυμία: Autronica  
Μοντέλο: *βλ. λίστα μοντέλων*

Τύπος, παρτίδα ή σειριακός αριθμός:

*Κάθε προϊόν ταυτοποιείται από μια ετικέτα που περιέχει έναν μοναδικό σειριακό αριθμό*

Προβλεπόμενη χρήση:

Συστήματα πυρανίχνευσης και συναγερμού πυρκαγιάς

Όνομα, εγγεγραμμένη εμπορική ονομασία ή εγγεγραμμένο εμπορικό σήμα και διεύθυνση επικοινωνίας του κατασκευαστή:

Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

Όνομα και διεύθυνση επικοινωνίας εξουσιοδοτημένου αντιπροσώπου:

--

Σύστημα ή συστήματα AVCP:

Σύστημα 1

Η δήλωση απόδοσης προϊόντος του τομέα των δομικών κατασκευών καλύπτεται από εναρμονισμένα πρότυπα:

EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

Η **DBI Certification - 2531** πραγματοποίησε τη δοκιμή τύπου και την αρχική επιθεώρηση του εργοστασίου παραγωγής και του ελέγχου παραγωγής του εργοστασίου με συνεχή αξιολόγηση επιτήρησης και έγκριση του ελέγχου παραγωγής του εργοστασίου βάσει του συστήματος 1, και εξέδωσε πιστοποιητικό σταθερότητας απόδοσης: **2531-CPR-CSP11319**.

# DECLARACIÓN DE PRESTACIONES

N.º 60.1005505 rev.2

Según la normativa de productos de construcción de la UE n.º 305/2011

**Código de identificación exclusivo del tipo de producto:**Marca(s): Autronica  
Modelo(s): consulte la lista de modelos.**Tipo, lote o número de serie:**

Cada producto individual se identifica con una etiqueta que contiene un número de serie exclusivo.

**Uso previsto:**

Sistemas de detección y alarma contra incendios

**Nombre, nombre comercial registrado o marca registrada y dirección de contacto del fabricante:**Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway**Nombre y dirección de contacto del representante autorizado:**

--

**Sistema o sistemas de AVCP:**

Sistema 1

**La declaración de prestaciones relativa a un producto de construcción está cubierta por una norma armonizada:**

EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

**DBI Certification - 2531** realizó la prueba de tipo, la inspección inicial de la planta de fabricación y del control de producción de la fábrica con la evaluación de vigilancia continua y la aprobación del control de producción de la fábrica bajo el sistema 1 y emitió un certificado de constancia de prestaciones: **2531-CPR-CSP11319**.**Prestación declarada:**

| Características esenciales                                                                                                                                                                                                | Prestación | Especificación técnica armonizada:                              |

| Durability of operational reliability; electrical stability                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.3, 5.13 |
| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                            |

Eespool määratud toote toimivus on kooskõlas deklareeritud toimivuse/toimivuste komplektiga. See toimivusdeklaratsioon antakse välja määruse (EL) nr 305/2011 kohaselt ja eespool nimetatud tootja ainuiskulisel vastutusel.

**Mudelite loend** (kõigi tootevariantide või -mudelite loetelu, mille puhul see deklaratsioon kehtib):

| Mudel   | Kirjeldus                                |
|---------|------------------------------------------|
| BBR-230 | Addressable indoor sounder with isolator |

| Ehitustoodete määruse (EL) nr 305/2011 lisateave CE-vastavusmärgise kohta                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

# Déclaration des performances

n° 60.1005505 rev.2

Conformément au règlement (UE) n° 305/2011 relatif aux produits de construction

**Code d'identification unique du produit type :** Marque(s) : Autronica  
Modèle(s) : voir la liste des modèles

**Numéro de type, de lot ou de série :** Chaque produit est associé à une étiquette sur laquelle figure un numéro de série unique

**Usage prévu :** Systèmes de détection et d'alarme incendie

**Nom, raison sociale ou marque déposée et adresse de contact du fabricant :** Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

**Nom et adresse de contact du mandataire :** --

**Système ou systèmes d'EVCP :** Système 1

**Déclaration des performances relative à un produit de construction couvert par une norme harmonisée :** **DBI Certification - 2531**, a effectué un essai de type, a mené une inspection initiale de l'établissement de fabrication et du contrôle de la production en usine avec surveillance, évaluation et appréciation permanentes du contrôle de la production en usine dans le cadre du système 1, et a délivré un certificat de constance des performances : **2531-CPR-CSP11319**.

| Durability of operational reliability; electrical stability                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.3, 5.13   |
| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                              |

A fent meghatározott termék teljesítménye megfelel a bejelentett teljesítmény(ek)nek. Ezt a teljesítménynyilatkozatot a 305/2011/EU rendeletnek megfelelően a fent megjelölt gyártó kizárólagos felelőssége mellett adjuk ki.

**Modellek felsorolása** (Azon termékváltozatok vagy modellek listája, amelyekre ez a nyilatkozat érvényes):

| Modell  | Leírás                                   |
|---------|------------------------------------------|
| BBR-230 | Addressable indoor sounder with isolator |

**Az Európai Parlament és a Tanács 305/2011/EU rendelete, CPR-kiegészítő, CE-jelölésekre vonatkozó információ**

A tanúsító testület azonosítása: 2531

Gyártó: Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

A CE-jelölés első elhelyezése évének utolsó két számjegye: 10

Teljesítménynyilatkozat (DoP) száma: 60.1005505 rev.2

EN-szabvány: EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

A terméktípus egyedi azonosítása: A termékdokumentáció cikkszámát és változatát lásd a termék címkén

Rendeltetésszerű használat: Fire detection and fire alarm systems

Alapvető jellemzők: lásd a teljesítménynyilatkozat teljesítménytáblázatát

# DICHIARAZIONE DI PRESTAZIONE

N.: 60.1005505 rev.2

Secondo il Regolamento UE sui prodotti da costruzione N. 305/2011

**Codice di identificazione unico per il tipo di prodotto:**Marchi: Autronica  
Modelli: *vedere Elenco modelli***Tipo, batch o numero di serie:***Ciascun singolo prodotto viene identificato con un'etichetta contenente un numero di serie unico***Destinazione d'uso:**

Sistemi di rivelazione incendio e di allarme antincendio

**Nome, designazione commerciale o marchio registrato e contatto del fabbricante:**Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway**Nome e contatto del rappresentante autorizzato:**

--

**Sistema o sistemi di AVCP:**

Sistema 1

**La dichiarazione di prestazione relativa a un prodotto da costruzione è coperta da standard armonizzati:**

EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

**DBI Certification - 2531**, ha eseguito un test di conformità, l'ispezione iniziale dell'impianto di produzione e del controllo della produzione in fabbrica, con una valutazione di sorveglianza continua e approvazione del controllo di produzione in fabbrica nel sistema 1 e ha rilasciato un certificato di costanza della prestazione: **2531-CPR-CSP11319**.**Prestazione dichiarata:**

| Durability of operational reliability; electrical stability                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.3, 5.13 |
| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                            |

Aukščiau nurodyto produkto eksploatacinės savybės atitinka deklaruojamų eksploatacinių savybių rinkinį. Ši eksploatacinių savybių deklaracija yra išduodama pagal Reglamentą (ES) Nr. 305/2011, už kurią atsako tik pirmiau nurodytas gamintojas.

**Modelių sąrašas** (visų produktų variantų ar modelių, kuriems galioja ši deklaracija, sąrašas):

| Modelis | Apibūdinimas                             |
|---------|------------------------------------------|
| BBR-230 | Addressable indoor sounder with isolator |

| Reglamento (ES) Nr. 305/2011 CPR papildoma informacija apie CE ženklavinimą                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

# PRESTATIEVERKLARING

nr. 60.1005505 rev.2

Volgens de verordening EU nr. 305/2011 tot vaststelling van geharmoniseerde voorwaarden  
voor het verhandelen van bouwproducten

Unieke identificatiecode van het  
producttype:

Merk(en): Autronica  
Model(len): zie *Modellijst*

Type, batch of serienummer:

*Elk afzonderlijk product wordt geïdentificeerd met een label met een uniek serienummer*

Beoogde toepassing:

Branddetectie- en brandalarmsystemen

Naam, geregistreerde handelsnaam of  
geregistreerd handelsmerk en contactadres  
van de fabrikant:

Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

Naam en contactadres van de gemachtigde  
vertegenwoordiger:

--

Systeem of systemen van AVCP:

Systeem 1

De prestatieverklaring met betrekking tot  
een bouwproduct valt onder  
geharmoniseerde normen:

EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

**DBI Certification - 2531** heeft typetests, de initiële inspectie van de fabriek en van de productiecontrole in de fabriek uitgevoerd met continue bewakingsbeoordeling en goedkeuring van de productiecontrole in de fabriek onder systeem 1 en heeft een certificaat van prestatiebestendigheid afgegeven: **2531-CPR-CSP11319**.

## Aangegeven prestatie:

| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                              |

De prestaties van het hierboven geïdentificeerde product zijn in overeenstemming met de opgegeven prestaties. Deze prestatieverklaring wordt afgegeven in overeenstemming met Verordening (EU) nr. 305/2011, onder de uitsluitende verantwoordelijkheid van de hierboven vermelde fabrikant.

**Modellijst** (lijst van alle productvarianten of modellen waarvoor deze verklaring geldig is):

| Model   | Beschrijving                             |
|---------|------------------------------------------|
| BBR-230 | Addressable indoor sounder with isolator |

**Verordening (EU) nr. 305/2011 CPR aanvullende CE-markering informatie**

Identificatie van de certificatie-instelling: 2531

Fabrikant: Autronica Fire & Security AS

Bromstadvegen 59,

NO-7483 Trondheim

Norway

De laatste twee cijfers van het jaar waarin de CE-markering voor het eerst werd geplaatst: 10

Prestatieverklaring (DoP)-nummer: 60.1005505 rev.2

EN-norm: EN 54-3:2001+A1:2002+A2:2006

EN 54-17:2005/AC:2007

Unieke identificatie van producttype: Zie het productlabel voor het onderdeelnummer en de revisie van de productdocumentatie

Beoogde toepassing: Fire detection and fire alarm systems

Essentiële kenmerken: zie DoP-prestatietabel

# DECLARAÇÃO DE DESEMPENHO

N.º: 60.1005505 rev.2

Em conformidade com o Regulamento relativo aos Produtos de Construção da UE N.º  
305/2011

**Código de identificação único do tipo de produto:**

Marca(s): Autronica  
Modelo(s): consulte a listagem de Modelos

**Tipo, lote ou número de série:**

*Cada produto individual é identificado com uma etiqueta que contém um número de série único*

**Fins a que se destina:**

Sistemas de detecção e alarme de incêndio

**Nome, nome comercial registado ou marca comercial registada e endereço de contacto do fabricante:**

Autronica Fire & Security AS  
Bromstadvegen 59,  
NO-7483 Trondheim  
Norway

**Nome e endereço de contacto do representante autorizado:**

--

**Sistema ou sistemas de AVCP:**

Sistema 1

**A declaração de desempenho referente aos produtos de construção está abrangida por normas harmonizadas:**

EN 54-3:2001+A1:2002+A2:2006  
EN 54-17:2005/AC:2007

**DBI Certification - 2531**, tipo de teste realizado, a inspeção inicial da instalação de fabrico e do controlo de produção da fábrica com avaliação de vigilância contínua e aprovação do controlo de produção da fábrica sob o sistema 1 e emitiu um certificado de consistência de desempenho: **2531-CPR-CSP11319**.

## Desempenho declarado:

| Características essenciais                                                                                                                                                                                                | Desempenho | Especificação técnica harmonizada:                              |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------------------------------------------------------|

| Durability of operational reliability; vibration resistance                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.9 to 5.12 |
| Durability of operational reliability; humidity resistance                                                                                                                                                                                                                                                          | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.6, 5.7    |
| Durability of operational reliability; corrosion resistance                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.8         |
| Durability of operational reliability; electrical stability                                                                                                                                                                                                                                                         | Pass | EN 54-17:2005/AC:2007<br>Clause: 5.3, 5.13   |
| 1) This is assuming that the effect of the fire is to cause a short circuit in the transmission path that is protected by these devices<br>2) There is no provision for connection of ancillary devices and this device does not incorporate a LED indicator. Therefore the clauses 4.2 and 4.3 are not applicable. |      |                                              |

O desempenho do produto identificado acima está em conformidade com o conjunto de desempenho(s) declarado(s). Esta declaração de desempenho é emitida, em conformidade com o Regulamento (UE) N.º 305/2011, mediante responsabilidade apenas do fabricante identificado acima.
